JAMES GATORU
MBUGUA

Introduction

I am a young, intelligent, organized and a highly driven person. I am able to quickly acquire and apply new knowledge and skills. I view change as a learning process, and I am able to handle multiple tasks within defined deadlines. Excellence is what I aim to deliver and seek to work in an environment that will expose those qualities in me. I hope to learn more and gather more insight in what I want to pursue in future.
